

## How It Works

**auction**  
com | **COMMERCIAL**

# Sell Your Commercial Property on Auction.com

1

### Create An Account or Login

Login to auction.com or register to create a new account. Creating a new account with auction.com is easy. Register your contact information on our site and you will receive an Email confirmation to verify your registration. Once the Email is received, click on the link to confirm and your account will be activated.

[create an account here](#)

2

### Tell Us About Your Asset

Using the Due Diligence Checklist, you will need to provide photographs and all documents and disclosures pertaining to the asset. You will also submit your asking price, or reserve for the property to be sold.

3

### We Will Contact You

Once your property has been reviewed and confirmed with our Auction Transaction Management Team, we will contact you to discuss auction dates and property information.
